

California Wing DOV

Civil Air Patrol

Conducting A Form 91 Checkride

- Have a current CAPR 60-1 (10 Jun 04) plus supplements in your possession.
- Use attachment 8 to CAPR 60-1 as checklist.
- Refer to Form 91 PTS (CAWg).
- Make sure applicant has completed the Form 91 pre-check package, including CAPT 116 ES, CAPT 117 ES parts 1 & 2.
- Review completed Mission Pilot Training record with applicant if this is initial check (attached), if renewal ask key questions about grid procedures (i.e. density altitude, track spacing, turbulence in mountain and desert, etc.).
- Have applicant show logbook for currency and type of missions flown in past two years.
- Have a copy of audio panel, GPS and CAP radio cheat sheet (attached).
- Have applicant demonstrate use of GPS (enter WPT, show Lat/Long, scroll info, etc).
- Have applicant demonstrate use of audio panel (ISO switch) & CAP radio.
- Use Mountain Fury Form 91 guide as basis for conducting your checkride (attached).
- Be in proper uniform, flight suit, boots and gloves (make sure proper patches are worn correctly i.e. leather name badge, not cloth per CAPM 39-1).
